I am currently the Director of Research at Masinde Muliro University of Science and Technology in Kenya. My academic path has taken me through postdoctoral research at the Department of Applied Environmental Science at Stockholm University in Sweden and the Department of Instrumental and Analytical Chemistry at Duisburg-Essen University in Germany. I completed my PhD in 2009 at Johannes Gutenberg University in Mainz, Germany, with support from a DAAD Full Scholarship. I also hold both my BSc and MSc degrees from the University of Nairobi. My research focuses on Environmental Chemistry, Chemical Toxicology, Future Energy, and Climate Change.
