

Kennedy Bota is an Associate Professor of Special Education in the Department of Educational Psychology at Masinde Muliro University of Science and Technology, with over 20 years of experience in higher education, research, and academic leadership. He holds a PhD and Master of Arts in Education Science from the University of Hamburg, Germany, and a Bachelor of Education from Kenyatta University, Kenya. Since March 2025, he has served as Acting Director of Postgraduate Studies, strengthening research capacity, postgraduate training, supervision quality, and institutional research systems. He previously served as Associate Dean for Research and Chair of Educational Psychology. He has led Erasmus+ and other international projects on neurodiversity, climate education, inclusion, and resilience, while researching inclusive education policy, teacher attitudes, parental engagement, and barriers to education in marginalized communities.
